REPORT OF THE SCHOOL DEPARTMENT

To the Superintending School Committee and Citizens of Isle au Haut:

I submit my report as Superintendent of Schools for the year ending February 1, 1948.

The school enrollment was 13, divided by grades as follows: Sub-Primary 1; Grade One, 2; Grade Two, 1; Grade Three, 3; Grade Five, 2; Grade Seven, 2; Grade Eight, 2. One pupil is attending Higgins Classical Institute.

The expense on the school bus has not been excessive, and I am in hopes that we may receive some aid from the state towards its operation, possibly \$100.00 next year. We are fortunate to have had a regular driver this year.

A change in oil heaters has greatly improved the comfort of the school room, and the recent purchase of storm windows is a further improvement. The playground equipment installed this year is a big improvement.

The teacher shortage is still acute, and we are fortunate to have had the services of Miss Olivia Bowditch, who came to us through the good offices of the Maine Sea Coast Mission. We thank Mr. Bousfield for securing Miss Bowditch to teach for us. She has assumed her duties with interest and energy, and is ready in every way to adapt our program to meet the needs of the pupils. We shall be fortunate if she can remain.

We shall have three children in high school next year, and will need to allow for an increased tuition charge authorized by the legislature last spring. If three children go to high school, the town will need to appropriate \$610.00 for this fiscal year, including the spring tuition and board for the one now in school.

I am grateful to the School Committee for their patience and kindness in my first year as Superintendent of Schools, and to the citizens who have been so pleasant to me in my ten trips to the Island.

SCHOOL BUDGET 1948-49

Estimated Expenditures

Fuel	\$ 135.00	
Instruction	1,500.00	
Conveyance	600.00	
Tuition and Board	610.00	
Textbooks and Supplies	100.00	
Janitor and Cleaning	175.00	
	<hr/>	\$3,120.00

Estimated Receipts

State School Fund	375.00	
Balance Feb. 1, 1948	735.83	
	<hr/>	\$1,110.83

Necessary Appropriation

\$2,009.17

If it should become necessary to meet any emergency arising from increased costs, or the teacher shortage, we should have some reserve with which to meet it. Our state aid will be less next year because of change in subsidy (due to purchase of the bus) which made it larger this year.

I am therefore recommending the same appropriation as last year, as we are requested by the state to avoid overdraft if possible.

Recommended Appropriations:

Superintendence	\$ 125.00
Repairs	100.00
School Fund Account	2,500.00

Respectfully submitted,

RALPH S. SMITH,

Superintendent of Schools.

AUDITOR'S REPORT

October 7, 1947

Board of Selectmen
Isle au Haut, Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, we have audited the records of the Town of Isle au Haut for the period February 1, 1946 to February 1, 1947.

The examination was made in accordance with generally accepted standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules included in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data incorporated in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER AND SAWYER

By A. F. Sawyer

Accountants and Auditors.

COMMENTS

Re: Audit of the Town of Isle au Haut
February 1, 1946 to February 1, 1947

The financial status of the Town is presented on the Balance Sheet and comments regarding the various items, in the order of their appearance thereon, are as follows:

CASH: (\$3,015.59)

The cash balance at the close of the year was on deposit at the Knox County Trust Co., Rockland, Maine.

The check book balance was reconciled with the bank statement as of February 1, 1947 and found to be in agreement.

ACCOUNTS RECEIVABLE: (\$1,881.08)

The accounts receivable represent the items due as detailed on Schedule A-2; consisting of \$1,803.00 due from the State for Registration money for the years' 1942-1946, and \$78.08 for Snow Removal.

TAXES RECEIVABLE: (\$49.69)

The records of the Tax Collector were examined and the warrant of commitment was in agreement with the Assessors' records.

The commitment was accounted for by cash collections of \$5,109.67, abatements of \$3.00 and unpaid taxes of \$49.69, as reflected on the records of the Collector.

DUE GOVERNMENTAL AGENCIES: (\$47.25)

This liability consists of \$15.60 withheld from salaries and wages on account of income taxes and \$31.65 for Teachers' Retirement Fund. These amounts were not due at the close of the year.

SURPLUS:

At the close of the year, February 1, 1947, the Town had a Net Surplus of \$4,699.11. Of this amount, \$3,636.17 has been set aside for definite purposes, leaving \$1,667.94 unappropriated for any specific use.

A summary of the items which make up that portion which is appropriated may be found on Exhibit D.

An analysis of the change in unappropriated surplus for the year under examination is presented on Exhibit E.

GENERAL:

The fidelity bonds of the various town officials were examined and found to be in order and properly recorded.

Revenue obtained from 1946 excise taxes was checked and found to be accounted for and properly recorded. All revenue from this source was applied to Administration.

Vouchers and payrolls were examined in part and those examined appeared to be proper charges to the accounts involved.

All unexpended balances required by law to be carried forward, and all unfinished projects which had unexpended balances, have been carried forward. As previously mentioned, these items make up the \$3,036.17 shown on the Balance Sheet as Appropriated Surplus.

The records were found in excellent condition.
